Thank you!

WHO SHOULD ATTEND?

Credit union CEOs/presidents, COOs, CFOs, board members, public relations officers, government affairs specialists, CUNA Council members, association officials, supervisory committee, and others with an interest in the future of credit unions.

HOW DOES MY ATTENDANCE BENEFIT MY CU?

Since the credit union movement's founding a century ago, each year has brought monumental challenges and fresh opportunities. And every time, credit unions have made the most of the opportunities and risen to turn adversity into an advantage.

It's your time to take a stand by attending the 2010 Illinois Credit Union System Governmental Affairs Legislative Day & Reception!

With all statewide officials, as well as key members of the General Assembly up for election in 2010, the time is now for political involvement. This year's State Legislative Day and Reception will focus on the key role that credit unions can play in the political process. By joining and working together, we can make a difference that matters -- to every credit union member and the entire credit union movement.

The Springfield Legislative Day offers the opportunity to network with peers, hear from key legislative and political leaders, and get the inside scoop about credit unions' hot issues. You'll learn how to effectively deliver the credit union message, and make the most of your Capitol Hill visits. You will also learn about developments in political fundraising and campaign involvement. Make plans now to attend.

WHAT IS A NEW ATTRACTION?

The ***Governor's Mansion*** will be a new location for the Legislative Reception. This beautiful house has served as the official residence of Illinois' Governors and their families since Governor Joel Matteson took up residence here in 1855. The Illinois Governor's Mansion is one of the oldest historic residences in the state and one of the three oldest continuously occupied Governor's Mansions in the country. Be sure to come and take advantage of visiting and viewing the mansion while socializing with your legislator during the Legislative Reception.
